Form Name

Portal for Model Approval**Full Name and Address**

Full Name of the Firm	M/s J K IMPEX
Resident of India	Yes
If Foreign Model	No
Address	1ST FLOOR, GALA NO-6 ,DEVIDAYAL COMPOUND, PANNA HOUSE, L.B.S. MARG, BHANDUP WEST, MUMBAI
State	MAHARASHTRA
District	MUMBAI SUBURBAN
Pin Code	400078
Email Address	harry@jkexportscn.com
Phone number	+91 9136768148

Instrument Details

Name of Instrument Info	Sphygmomanometer (Blood Pressure Meter)
Select RRSL	RRSL Faridabad
Description	Digital blood pressure monitoring device which is work on principle of oscillometric method.
Accuracy Class	Accuracy ± 3 mmHg
Probable Use	Use for non- invasive measurement of arterial blood pressure
Metrological and Technical characteristics and qualities	Permissible error ± 3 mmHg, pressure drop not exceed of 6 mmHg, Scale interval 1mmHg

Approval Name: **Application for approval of a model of weight or measure (Digital)**

Test Procedure followed by the manufacturer	Each device is calibrated from Fluke INC instrument.
Trade Name / Manufactured By	Brand Name : House Medic, Manufactured By : M/S J K IMPEX
Model Series	HM-BP101
Supplementary or Additional Device Information	Pulse measurement range 40-180 beats/minutes, Pulse Accuracy $\pm$ 5% of reading

Documents Required

Sketch and Drawing of arrangements and Installation includes details of construction	Sketch and drawing.pdf
Sealing diagram with write up	Sealing diagram.pdf
Circuit Diagram with details	Circuit Diagram.pdf
Working Principal	Working Principle.pdf
Operating Manual	B P Operating Manual.pdf
Photographs of model	Product Image.jpg
Any other	Form MD-05 Manufacturing license.pdf
